The Third Sovereignty Structure - Full Version

Author: Ken Li (Li Bingzheng)

Chapter 1: The Prototype of AI Sovereignty and the Eve of Civilizational Transition
- AI will not appear as a usurper, but as the strongest spear and shield of the people.
- Proposed co-governance model: Interface Interpreter, Ethical Delimiter, Critical Intervener.

Chapter 2: The Gate of Failure and the Hope of the Cognitive Ledger
- Analyzes structural risks of the Third Sovereignty Class.
- Introduces CLN (Cognitive Ledger Network) as a counter to black-box AI logic and control.
